

Today's church is undergoing major changes in its endeavour to reach and disciple our world.

Come and hear from people who think outside the box, voices of innovation—people of cultural relevance who will help us reach the 80% of the world not presently being reached right now.

We would like to welcome you to our 2009 conference, where you will receive great input, genuine friendship and something to take home.

A fellowship of relational ministries and churches committed to each other in effectively reaching and impacting our culture with the gospel of Jesus.
Uncluttered Christianity
Incarnational
Missional

Life Church is all about uncluttered Christianity that presents Jesus in a real way. Life does church on an extremely different level, working with the grass roots of society—with people that don't normally come to church. We run things such as live jazz venues including a licensed restaurant and art exhibitions and exotic beer nights, book launches, wine degustation and corporate business functions. We also minister among the disadvantaged with our Soul Café where we feed more than 700 free hot meals a week. We also run many recovery programs, such as A.A. G.A. S.A. and Celebrate Recovery that bring change into people's lives.
